

# WHAT TO DO AFTER TOMA ENDS

HOW DO I CONTINUE TO APPROACH PROSPECTS  
THAT COMPLETED TOMA BUT DIDN'T RESPOND?

---

- **Touch Them Again:** Send out a monthly email newsletter, a blast by text message, or hit your social media accounts with an engaging update. *Use Covideo and/or Screencast to show your higher level of professionalism!*
  - **Resend Competitive Advantages:** Restate what sets you apart, how you communicate with clients, and/or highlight your success with another big account.
  - **Get Personal:** Text them a request for a phone quick call or drive-by their office for some personal face-to-face time. After every meeting, ask "What other companies do you know that could use my services?"
