

## Activate Innovative Biz Strategies!

In-depth knowledge gained from over thirty years of business experience and up-to-date information garnered in the field every day makes Chuck Bauer the premiere business consultant.

While working for an international corporation, Chuck learned from the best of the best. He soon began training other business professionals and eventually became a featured speaker for the first 24-hour television network devoted to personal and professional development in Dallas, Texas. From there, it was a natural segue to business presentations and training in over two cities a week.

In the late Nineties, Chuck struck out on his own, devoting his considerable energy to increasing business expertise for each and every one of his clients, be they individuals, small businesses, or large corporations. Students of Business Consultant Chuck Bauer learn expert solutions to any business challenge.

Chuck's unique approach involves sitting in and observing LIVE interactions between

sales people and their clients, business owners and their customers and/or staff, and executives and their sales/operational/marketing staffs. His hands-on and on-site knowledge and experience boil down to:

**PROVEN REVENUE-PRODUCING STRATEGIES ONE CAN IMPLEMENT IMMEDIATELY!**

During the past two decades, Business Consultant Chuck Bauer has personally coached over 50 C-Level Executives and thousands of individual business owners, salespeople, and companies. These individuals and companies used his coaching and mentoring to immediately work smarter, make more money, and take more quality time off.

As published author with Wiley Publishing, Chuck's work is sold in all major bookstores in the United States. He has also been featured in numerous business and sales-related magazines and websites. A licensed instrument-rated private

*"Chuck Bauer's coaching improved my ability to lead my business/management team, resulting in increased production and revenue. His insight and precise recommendations can help you increase your revenue production!"*

pilot, certified open water scuba diver, disciplined body builder, and mountain biker, Chuck lives in Dallas, Texas.

Chuck visited the Cayman Islands for the first time last May on a business/fun trip. Great people, laid-back atmosphere, fantastic food, and recreational activities helped him quickly fall in love with the Cayman Islands. He decided to open a business interest there by launching the Cayman Business Academy, which is set to hold its first session on January 23rd and 24th, 2014.
